

Symbol of strength

TWO bronze lions, symbolising strength and good fortune, have been placed at the entrance of the Willowdale branch in Ontario, Canada.

More than 300 officials and clients attended the event hosted by HSBC Bank Canada's Chief Operating Officer Lindsay Gordon.

He is pictured, left, dotting the eyes of the lion with guidance from a feng shui master.

Consul General of the People's Republic of China Sun Shuxian and David Poon, Vice President and Manager of Willowdale branch, also attended the ceremony.
